Dear Patient

As part of our new children's registration procedure we need you to provide the relevant information and documentation to aid us in completing their registration with the practice as smoothly and efficiently as possible.

The following information is required from you:

- Completed registration form
- Identification – *Birth Certificate, Red Development Monitoring Book, Passport*
- List of their current medication

If you are registering with a Practice within the UK for the first time please provide us with a valid visa and date of entry into the UK. Failure to provide this information may result in you being seen as a private patient which you will be charged for.

Once completed forms are returned to the practice an appointment to register will be made, you will be asked to provide a urine sample on the day of your appointment as part of your registration with the practice.

Thank you in anticipation.

Yours sincerely

Neil Bunney
Practice Manager
